100 sets/Carton

Description

Enhance your security with our Fingerprint & Numerical keypad Padlock, featuring smart technology and a robust design. This wireless smart lock box offers multiple unlocking methods, including fingerprint, keypad, and Bluetooth app control. Perfect for replacing traditional key padlocks, and more, it ensures peace of mind with its reliable and durable construction. Ideal for use on gym/school/travel lockers, luggage bags, small latches, garages, etc. it's a versatile and secure solution for modern living

Features

- **3-in-1 Unlocking Methods:** Unlock using the Smat Life APP (Bluetooth), digital keypad, or fingerprint. Say goodbye to lost keys and enjoy the convenience of multiple access options.
- **Safe and Reliable:** Supports up to 20 sets of fingerprints and 20 sets of passwords. Features include virtual password anti-snooping, attack protection, and passwords, ensuring secure access for family and friends.
- **Sturdy and Durable:** Made from Aluminium alloy with a 4mm diameter locking arm, it resists frost, scratches, and cuts. With an IP65 rating, it operates reliably in temperatures from -20°C to 60°C.

- **Flexible Installation:** No need for special tools or professional help. The removable latch design allows for easy installation and removal, making it a versatile addition to suitable latches and bags.
- **Ultra Long Battery Life:** Powered by a built-in 150mAh lithium battery with over 6 months of standby time. Rechargeable via a Type-C interface, it's both energy saving and environmentally friendly.

Technical Parameters	
Model No.	T32
Unlocking Methods	Fingerprint, Password, APP (Bluetooth)
Special Features	Smart Lock, Water Resistant
Material	Stainless Steel + Aluminum Alloy
Colour	Black
Product Dimensions	32 x 18 x 65.5 mm
Power Supply	Battery
Battery Type	Built-in 150mAh Lithium Battery
Operating Temperature	-20°C to 60°C
Protection Rating	IP65

Box Contents:

- 1 x Fingerprint Key Lock Box
- 1 x Type-C Charging Cable
- 1 x User Manual
